

IT'S THE LAST WEEK OF SCHOOL!

As it's the final week of the school year, have a go at these suggestions for your home learning this week:

Watch a movie—we'd definitely be doing this for one afternoon in school!

Tidy your bedroom ready for the summer holidays, like we would be tidying the classroom.

Have a go at some of the 'Home School Sports Day' activities.

Tell us what your best memories of lockdown have been—you might want to represent this as a picture, a list or another creative way—maybe a story where you're the main character. We'd love to see them so please feel free to send them to your class email address.

THANK YOU!

We wanted to say a huge thank you to all families who have turned their hand to teaching over the last few months—we know it hasn't been easy and you've all done a brilliant job!

Thank you also to everyone for their support and understanding in getting to grips with the 'new normal' in school—we've had some lovely feedback about how quickly the children have settled in and how much they're enjoying being back in school.

Lastly, and most importantly, a huge thank you to all of the children who have been amazing during lockdown. You've all shown amazing resilience, sacrifice and perseverance and we couldn't be prouder of you all. We hope you have an amazing summer and we look forward to seeing you all in September :)
