

22nd December 2017

IT'S BEHIND YOU!

We all had such a fun time at the pantomime last week. The children's behaviour was exemplary and it was wonderful to see them all living every second of the show. We all loved the interval ice lolly too!

CHRISTMAS LUNCH

Last week we were also treated to our special Christmas lunch, with an extra side order of crackers!

NATIVITY

WOW! The children gave an absolutely fantastic Nativity performance. They had a lot of songs and dances to learn and we honestly thought that they'd struggle, but this amazing bunch absolutely nailed it! It takes a lot of courage for them to stand in front of so many people and perform. Well done, kids, we are so, so proud of you all!

AND FINALLY...

We are looking forward to welcoming a student teacher, Miss Georgia Stansfield, into our team to complete her final teaching practice. She will be with us until March and is sure to bring lots of new and creative ideas to our class.

We wish you all the very best for Christmas and we hope that you have a happy and restful holiday (ready for lots more learning in the New Year!)
