

22nd September 2017

ME BAGS

Thank you for taking the time to help the children fill their Me Bags. We have enjoyed ever so much talking with the children about their favourite things and have got lots of ideas for future activities. The children have impressed us with their wonderful speaking and listening skills.

HARVEST

We have been hard at work practising our song for the Harvest Celebration which takes place next Thursday at 6pm in church. We will be giving a heart-felt rendition of Dingle Dangle Scarecrow. Please can you have the children at church for 5.50pm in their school uniform.

FRUIT-ASTIC!

In keeping with the harvest theme, we have spent the week exploring fruit and its importance in our diet. On Wednesday morning we went to the fruit & veg stall on the market and bought a selection of our favourite fruits. We did lots of counting as well as having a tasting session and following instructions to make fruit kebabs. Next week we will be making apple crumble. Yummy!

TEAM WORK & PROBLEM SOLVING

This week we acquired another fabulous new resource for our outdoor learning area—a large stack of florist buckets courtesy of the Co-Op. The children have found so many uses for them, from building walls and space ships, to using them for hats and skittles. Through their own imaginative play we have witnessed wonderful problem solving, development of communication skills and fabulous team working.

Have a good weekend.
The Early Years Team
