

29th March 2018

EASTER EGGS

Continuing our learning about the Easter story we have been looking at the symbolic meaning of eggs at this special time of year. Through lots of chick-themed art and craft we have learnt about new life.

We have also learnt that eggs symbolise the rock that was rolled in front of the tomb in which Jesus was placed after his crucifixion. We had great fun using wax crayons and food colouring to dye hard-boiled eggs. It was even more fun rolling them down the hill at the back of the church!

EASTER CELEBRATION

It was wonderful to see so many family and friends in church for the school's celebration of Easter. The children behaved and sang ever so well, making a great contribution to the service. Hopefully you all spotted the beautiful Easter gardens made by Class 1 that were displayed in the church entrance. Making them really helped the children to understand the meaning of Easter, as well as the power of good team working.

SUNNY SNACK TIME

We're really enjoying the sunny weather and our new glass milk bottles. No more throw-away plastic straws and cartons for us!

SPECIAL WOW SHEET

Each of the children has brought home a special wow sheet for you to tell us about any family celebrations or community events that they take part in over the holidays. This could be family meals, birthdays, village traditions, church celebrations, Rainbow/Beaver events, etc. This information will support our assessment of one particular area of learning (People & Communities). Your involvement is so important in helping us to build a full picture of your child's growth and development, shaping their future learning journey.

We hope you all have a lovely Easter holiday and we will see you back in school on Tuesday 17th April.
