HARVEST

It was lovely to see so many family and friends at the Harvest Celebration. Well done, children, for performing our song with such enthusiasm and your behaviour was outstanding—lots of people commented on it.

ASTONISHING APPLES

We have been celebrating all things apple this week. Delicious smells were coming from Class 1 on Monday as the children carefully followed instructions to make apple crumble, including peeling and chopping the apples. They needed no instructions to eat it all up! With tummies full of crumble, the children created beautiful apple print pictures and explored floating and wind-power by making apple sailing boats.

SUPERTATO TO THE RESCUE

The Evil Pea is on the loose and there's anarchy in the aisles! Only one supermarket superhero can save the day! This wonderful story has inspired all sorts of learning. We've squashed evil peas (a great way to strengthen little hands in readiness for writing) and got creative by making our own evil peas and Veggie Superheroes then using them to act out Supertato rescues. We've also drawn story maps and counted how many potatoes were in a big bag to make sure we had enough for everyone.

Enjoy the Sheep Fair! The Early Years Team

1 potato, 2 potato, 3 potato, 4
5 potato, 6 potato, 7 potato, more
8 potato, 9 potato, now we've got all 10
Let's put our potatoes back and count
them up again!

Continuing the learning at home

When shopping at the supermarket, can you count the fruit and vegetables as they go into the trolley?
Can you spot any vegetables that are in the wrong place?
