

8th September 2017

WELCOME

A very warm welcome to all the new children and parents. Every week the Early Years Team like to give you a flavour of what the children have been up to. We also use this newsletter to remind you about upcoming events and to pass on some of our top tips for how you can help the children to learn through play at home.

SETTLING IN

WOW! We are so impressed with how well and quickly the children have settled into life at Masham School. They are quickly picking up their new routines and beginning to move confidently around school. We are very lucky to have lots of caring older children who keep an eye out for the "little ones", for example, the Year 6s have been great at helping the children to carry their lunch trays.

Here's a flavour of what we have been up to this week...

STAR OF THE WEEK

Every Friday we pick a Star of the Week (well done, Zachary, for being our first). Our reasons for choosing that child are celebrated in the whole-school newsletter. As a special reward our Star of the Week brings home Paddington Bear for the weekend, with a back pack, story book and postcards for you to tell us all about PB's adventures on Monday.

Have fun this weekend! The Early Years Team
