

9th March 2018

WELL DONE,
CLASS 1!

CELEBRATION ASSEMBLY

We are so proud of how clearly and confidently you spoke and showed off your AMAZING learning! It was lovely to have so many friends and family there to share it with us.

HERRIOT HOSPICE SHOP VISIT

This week's British Value has been 'respect' - having respect for each other and treating others as you want to be treated. By visiting our new Masham charity shop we hope that the children understand a bit more about the importance of caring for people in our community.

We were ever so proud of how well the children listened whilst they were told how the charity shop works. And since our visit some lovely conversations have been over-heard in the classroom...

Yeah, they'd like playing with my toys.

I'm going to find some more things for the poorly people.

HAPPY HALVING

This week's marvellous maths has been all about halving the number of things. There has been lots of practical and active maths going on inside and outside the classroom, sharing objects between 2 people to find half.

Hope all mums are thoroughly spoilt this weekend.

The Early Years Team
