Super Sports

Well done to all the children for taking part so enthusiastically in the sporting events over the last two weeks. It was lovely to have parents and carers joining us for the races and we are very grateful to have the use of the Rec to enable us to facilitate this safely. Mrs Davies is busy totting up the results of the races and the in class events and we should be able to let you know the winning house team next week!

Plea for any photographers

We are in the process of creating a new school website and are keen to have as many professional looking photographs as possible which reflect our lovely school. If there are any parents or carers out there who have the vision, equipment and willingness to come into school for a session or two to help out with this please could you let me know – I am sure we have some incredibly talented parents who would be able to do a fantastic job!

Congratulations!

A big congratulations to Mr Scott who has been appointed as a Primary Mastery Specialist for the Yorkshire Ridings Maths Hub! This means that, as well as keeping his Senior Teacher role in our school, he will support other schools and teachers to develop further excellence in maths across the region. Great for our school; and for others too.

Miss Lawton has also been extremely busy working towards becoming a certified Forest School Leader and we are delighted let you know that on Friday she passed the final stage of the qualification meaning that, from September, she will be able to lead regular outdoor learning sessions for each class in the school! A tremendous achievement, congratulations Miss Lawton!

Teenage Cancer Trust

A reminder that everyone is invited to come to school wearing blue and green next Friday in exchange for a donation to the Teenage Cancer Trust (if you are able to). There will also be a Tombola outside school that afternoon to further raise funds – if you would still like to donate prizes for this there is a box by the main school sign and one by the office door. The money raised will go towards the [Just Giving fundraising site](#) set up by local girl Lucy Verity following her diagnosis with Ewing's Sarcoma earlier this year.

Have a lovely week, just a reminder that school closes for the summer at 2pm on Friday 23rd July.

F. Lawson-Ross

A message from St. Mary's Junior choir

At last, the junior choir at St Mary's is up and running again but, sadly, several of the older members have decided not to return.

So there will be spaces for children from year 3 upwards in September. At the moment the choir will be one Sunday per month so the commitment is not huge. There is no formal audition but the ability to sing in tune is important. Children receive a small payment every time they come and they will, eventually, get the chance to sing at weddings and other church events.

For details please contact Ann Rudd on 07901647773 or email annkrudd@hotmail.co.uk

Go Green with the Summer Reading Challenge 2021!

Children can once again sign up for the Summer Reading Challenge at their local library during the holidays. This year the theme is Wild World Heroes and is all about nature and looking after the planet.

The challenge is to read 6 library books of their choice and collect special stickers and other prizes along the way – everyone who finishes will receive a limited edition Wild World Heroes medal and a certificate. Any child aged 4 to 11 can join in and the challenge runs from Sat 10th July until Sat 11th Sept.

There will also be a fantastic programme of on line activities to go with the challenge – whilst there will be some pre-recorded activities available on the @nycclibraries Facebook page, many of the activities will require bookings to be made via Eventbrite: <https://www.eventbrite.co.uk/o/north-yorkshire-libraries-32465924701> (see attached flyer for event details)

Some libraries may be able to have events in the library, depending on Covid restrictions – just ask at your local branch.
