5th October 2018

Dear Parents and Carers,

Another week has flown by! Thank you to all who took part in the Bishop Blaize procession last weekend; we were very proud of all our children representing the school both in the parade and in the show.

Super Science

Class 4 have continued waging their war on plastic ... by making their own! Under the guidance of our resident Science whizz Mrs Clarkson, the children added lemon juice to milk to create casein plastic which will bio-degrade. More details of the experiment are on our Twitter feed should anyone want to have a go at home!

Family Service

Everyone is welcome to join us at St Mary's church at 10:45 this Sunday for the first Family Service of this term. For those new to the school, or who haven't attended for a while, the Family Service takes place on the first Sunday of the month and is specifically designed for all ages to worship. They are always lots of fun with music, child friendly activities (last term we even got to ride on a (virtual) aeroplane and went a bit Mary Berry decorating biscuits!) and there is usually a lot of cake at the end! It would be lovely to see you there!

World War 1 Remembrance

Class 4 needs you! As part of their History work around WW1 they would love to see you at 2pm on Monday 8th October for tea, biscuits, and a chance to share any memories, photos, artefacts (we will not keep or damage them!) relating to Masham in World War One.
