

## HOME WORKING INFORMATION

- This link keeps being updated so do check back for new ideas and resources:

<http://amazingeducationalresources.com/>

- This is a fab link, which we have shared before; lots of great project ideas:

<https://www.robinhoodmat.co.uk/learning-projects/>

- Follow this link for daily maths lessons provided by White Rose Maths, used by each class in school:

<https://whiterosemaths.com/homelearning/>

- There are some great activities for maths on Third Space Learning, the code breakers look brilliant! See PDF for instructions.

- Should you have any concerns regarding safeguarding of children during the school closures, or you require support from the Food Bank during the closures please email [head@masham.n-yorks.sch.uk](mailto:head@masham.n-yorks.sch.uk)

- Should further announcements/work need to be made available this will be done via the school website
