15th May 2023

Dear Parents and Carers,

The Wilderness is looking fabulously clear ready for lots of good ideas to start taking shape! Thanks to such sensible children we were still access the Rec last week by the public stairs, well done!

Play Leaders

Ably led by Mrs Middleton, our playleaders have done a fantastic job this half term keeping playtimes fun and exciting for all. From organising traditional games such as 'What's the Time Mr Wolf' and 'Duck, Duck Goose' to facilitating Giant Meccano and construction sessions they have helped our breaktimes become much more enjoyable for all! We'd like to get the dressing up clothes back up and running next half term so if you have any costumes you can donate or are able to take any home to wash over the half term break please let us know. We'll also be sending home our clubs list later this week including some exciting new lunchtime optional activities so watch this space!

SATs

A huge well done to our year 2 children who, although they didn't know it, completed the assessment paper part of their statutory assessments last week. Their attitude towards the 'show off quizzes' was exceptional and we are all very proud of them.

Safeguarding

As we wrote to you about earlier in the week, we completed a safety drill in school on Friday to practice what we should do in case of any emergency such as an animal entering the school building – all went like clockwork, a huge well done to all the children and to the staff who made sure everyone felt very safe and not worried at all.

As we come up to the half term holiday PC Swann will be popping in this week to speak to the older children about staying safe out and about over the break and which items are dangerous to carry. Please remember, if you have any safeguarding concerns over the holidays the link to who to contact is [here](#).
