Dear Parents and Carers,

What a Knight!

What a show! A huge well done to the Key Stage 2 children for their fabulous performances last Tuesday and Wednesday. The singing was fantastic, the acting amazing and the jokes just kept on coming. Feedback from the audience was excellent with comments such as 'a great performance from the pupils of Masham School -all their hard work paid off' and 'some of the children should consider joining the Masham Players!'. A huge thanks to the staff who helped prepare for the show; a real team effort, the FOMS for providing such lovely refreshments, the audience and community for supporting us so well and of course, the children for being so brilliant!

Bikeability

As if preparing for an epic performance wasn't enough, Year 6 had a busy week perfecting their cycling skills as they took part in Bikeability – you may have seen them out and about on the streets of Masham with the instructors. They all proved themselves to be able cyclists and were praised by Stage 1 cycles for their 'positive engagement'. We're very proud of them all!

Swifts

As mentioned last week, we were pleased to welcome the Mashamshire Swift Conservation Community Project into school to present three of our children with a prize for their designs to support the project. There were lots of brilliant entries from the children and I'm pleased to say that they will be on display at Masham market this Saturday 8th July so please do pop along and have a look.

Don't forget that next Friday is our Summer Fair organised by FOMS!
