

### In Computing Y1/2 will be:

Using Purple Mash to organise and present information

### In Science Y1/2 will be:

Learning about sustainability and how we can care for our planet

### In Geography Y1/2 will be:

Learning the names of the world's oceans and identifying important places and landmarks in the UK

### In PHSE we will be:

Thinking about how to keep ourselves safe

### In Literacy Y1/2 will be:

Using short animations to help us develop our descriptive and narrative writing

Learning & Caring Together

### Topic Web

Term: Summer 2

### Our Theme is:

### Our Wonderful World

### In Maths Y1/2 will be:

Focusing on money—adding coins/amounts of money and finding change  
Measuring mass, capacity and temperature  
Thinking about position and direction

### In RE Y1/2 will be:

Thinking about why we should care for the world and why this matters

### In PE we will be:

Continuing with swimming and getting ready for Sports Day

### In DT and Music we will be:

Developing our understanding of pitch and using written notations to help us play melodies  
Exploring sculpture

### Reception will be:

Practising and using all the sounds we have learnt so far in phonics, reading longer words and working hard to use them to help us write down our ideas  
Developing our recall of pairs that make 5 and 10, and of doubles  
Thinking about how we can care for our world  
Thinking about which stories are special and why
