Newsletter 10

21st November 2022

Dear Parents and Carers,

Multi-Skills

Our team of Y2 superstars were in action at Bedale High School on Friday afternoon competing in an athletics competition against other local schools. As well as showing fantastic behaviour, they came second overall! Well done everyone.

Children in Need

Thank you to everyone who donated to Children in Need on Friday. We all had great fun creating our 'Pudseys of Pennies' and collected so many coins that the collection bucket was almost too heavy to lift! The money will go directly to the charity and we will let you know of the total raised next week.

Dales Museum

Burn Class had a super day on Wednesday when they welcomed Jane from the Dales Museum to help them make some chutney as part of their Design and Technology work. School smelt delicious all week!

RE Day

We are all really looking forward to our RE day later this week. On Friday, each class will be spending the whole day focusing on Religious Education and then will be feeding back to the rest of the school in a special Collective Worship. We will make sure we post some pictures of what we have been up to on Twitter so be sure to have a look!

Safeguarding

Please find attached a parent's guide to Tik Tok which is not recommended for children under 12. If any parents or carers would like any advice on keeping children cyber safe please do not hesitate to get in touch with a member of school staff.

Have a great week ahead

F. Lawson-Ross

Friday	16.12.22	All	Carol Service
Friday	16.12.22	All	School Closes for Christmas 14:00
Tuesday	03.01.22	Staff	Training Day
Wednesday	04.01.22	All	School opens for the children

A Message from Mrs Clark

I hope you have all enjoyed tasting the chutney that we made last week. This week Year 4 will be consolidating our learning on multiplication and division upto the 12 times tables before moving onto multiplying 3 digit numbers. Year 5 will learn to multiply and divide by 10, 100 and 1000. We are continuing with our text 'The Firework Makers Daughter' and will recap grammar taught so far, along with learning how to use brackets when we add additional information to a sentence. In Science this week we will continue investigating sound. Spellings this week will focus on strategies to learn Year 3 / 4 and Year 5 /6 statutory words.

A Message from Mr Scott

This week in Cover Class we're continuing to read our class text, Holes, and will be drafting, editing and re-writing an information text all about the yellow spotted lizard. Further information on this text type for parents can be found here, which you may like to discuss with your child <https://www.theschoolrun.com/what-information-text> In maths we have been thinking about factors, multiples and prime numbers and we will continue to look at this before delving deeper into short division (and long for Y6). Tomorrow Y6 visit Crucial Crew to learn all about staying safe in different environments and situations. Parents can follow this link for more information on road safety which is particularly important during the darker winter months https://www.think.gov.uk/key_stage/ks2/
