28th November 2022

Dear Parents and Carers,

RE Day

We all enjoyed a full day of Religious Education on Friday with each class focusing on a different aspect such as learning about different religions, why do people have different beliefs and what it is to belong. Each class shared their work in a special Worship at the end of the day and we were very impressed with how clearly the children could share their learning.

Crucial Crew

Year 6 had a really informative time on Thursday at Crucial Crew learning all about keeping safe. They talked about the dangers of water, drugs and how to stay safe online as well as lots of other very important information. Their behaviour and maturity was excellent!

Netball

A huge congratulations to our fantastic Y5/6 netball team who were in action against other local schools on Thursday. They showed fabulous sportsmanship and came third overall. Well done.

Website

Our school website has had an overhaul and the new improved and updated version has gone live this morning. We will be adding more and more content as the weeks go on so please be sure to take a look.

Panto

We are all really looking forward to our whole school visit to the pantomime on Thursday (oh yes we are!). Just a reminder that we need to leave promptly to arrive in time for the show so please could you make sure children are at school for 08:45 that day.

Safeguarding

A copy of our Behaviour Blueprint is attached as a reminder to everyone of the expectations in school. Copies of the supporting policies can be found on the website or by asking at the school office. Have a great week ahead

F. Lawson-Ross

Friday	16.12.22	All	School Closes for Christmas 14:00
Tuesday	03.01.22	Staff	Training Day
Wednesday	04.01.22	All	School opens for the children

A Message from Mrs Clark

In Burn Class this week the children will be undertaking end of term assessments in reading, maths (arithmetic and reasoning) and grammar, punctuation and spelling. We will be recapping some Year 3 and 4 skills from last year, in particular multiplying a two digit by a one digit number such as 54×4 , using the grid method. This youtube video explains the grid method https://www.youtube.com/watch?v=LTxql8_dXec. Year 5 will recap making numbers 10 x and 100 x greater or smaller (including decimal

places) <https://www.bbc.co.uk/bitesize/topics/z36tyrd/articles/z2fkwx>

We will prepare for our celebration assembly next week and continue with our work on sound in science, designing ear defenders that muffle sound at a rock concert. Of course, we are looking forward to visiting the theatre on Thursday.

A Message from Mr Scott

Mr Scott is supporting another school today. He will be in touch via email later this week.
