Dear Parents and Carers,

As you will hopefully notice this week, work has begun to clear our wilderness area ready for a refresh! We look forward to compiling some of the wonderful ideas which have been suggested for renewal soon.

Coronation Celebrations

Thank you to everyone that came along to support the children in their Coronation Celebrations – we hope you enjoyed them as much as we did. The children looked super smart in their regal parade, beautifully accompanied by Mrs Booth on the cornet, and it was great to see such a packed church as Year 6 acted out a summarised version of the official ceremony. It was a shame that the weather wasn't on our side to complete the Maypole Dances that afternoon but, with help from FOMS (thank you very much) the children were able to end the afternoon with a slap-up afternoon tea in the Town Hall and each took home a souvenir pin. It was fantastic that so many parents and carers were then able to join us last Friday where thankfully the weather was kinder and each class were able to perform their fantastic traditional dances. Hopefully this May has created lots of marvellous memories for all! Some photographs of the celebrations are overleaf.

SATs

We could not be prouder of the resilience, determination and fabulous attitudes shown by our Year 6 pupils last week as they undertook their statutory assessments. Following a week of really hard work they were treated to an Ice Cream courtesy of Bah Humbugs (again, thank you very much!) and some wind down time at the park and MUGA.

Safeguarding

Last week we were visited by Dave, the Health and Safety Manager from Stonebridge Homes who spoke to Laver, Burn and Cover classes about staying safe around building sites. He fed back that *"it was really good to see the level of engagement with lots of interaction and questions being asked. You should be very proud of all the children."*

On a similar note, it is great to see so many children coming to school on bikes and scooters keeping fit and active, however, please could we remind everyone that bikes and scooters should not be ridden on the playground at collection times – it isn't safe with some many people on the playground. Thank you for your support.
